

Mid-level or Senior-level Cost Estimator, Full-time Opportunity (contingent on contract award and clearance)

We are proposing to place a Mid-level or Senior-level Cost Estimator full-time on-site in Virginia with five-to-fifteen years of experience. The governmental client is located on a U.S. Military Base. Estimating candidates must be able to obtain U.S. Government Security Clearance, or ideally would have been previous Clearance. Please forward resume and contact information to Basil Alexander, Regional Manager, O'Connor Construction Management, Inc. (balexander@ocmi.com) as soon as possible, no later than 07 October 2011.
